

REMARKS

Claims 6 and 7 have been amended in response to the Examiner's Final Rejection mailed October 2, 2007. No new matter has been added by these amendments.

Claims 14 and 15 have been withdrawn.

The Applicant acknowledges the withdrawal of the rejection of Claims 6 and 7 under Sec. 102(e).

The rejection of Claims 6 and 7 under Sec. 112 1st paragraph, for lack of enablement, is respectfully traversed in light of the current amendments. The Examiner wrote in the pending Office Action that the claims were only enabled for a method of treating symptoms related to the treatment of coronavirus infections associated with pulmonary symptoms/syndromes (e.g. SARS.) In response, Claims 6 has been amended to be limited to treating coronavirus infections, and Claim 7 has been amended to be limited to the disease known as SARS. It is respectfully submitted that in light of these amendments, the rejection under Sec. 112, 1st paragraph should be withdrawn.

It is therefore submitted that Claims 6 and 7, as amended, are in condition for allowance.

If any issue regarding the allowability of any of the pending claims in the present application could be readily resolved, or if other action could be taken to further advance this application such as an Examiner's amendment, or if the Examiner should have any questions
